

Each year we strive to enhance and expand our charitable goals and objectives. To date, Mu Omega Chapter, Omega Psi Phi Fraternity, Inc. has tapped into the humanistic needs of society and fulfilled them through reaching out to various segments of the community. Our goal is to raise more monies each year which will allow us to engage in facilitating charitable causes.

Our three main focuses are the James A. Minton Food Basket and Toy Drive during the Christmas season, Alex's Lemonade Stand Foundation, which helps to raise money to fight childhood cancer, and last but not least, mentoring. Recently, Mu Omega Chapter adopted T.M. Peirce Elementary School to prepare and mentor young men for high school and college. We know the best weapon is knowledge and we have a duty and responsibility to ensure that the future generations are equipped with the tools necessary to combat societal roadblocks.

Come out and join us, for a fun-filled event while contributing to a great cause.

Jesse Reason, Basileus
